ANDREAS IHLEBÆK NOWHERE EVERYTHING

Nowhere Everything is the new album by internationally renowned artist Andreas Ihlebæk following *Northern Lullabies* (NXN8001) and *I Will Build you a House* (NXN1004) on NXN Recordings. Andreas has been praised for his musical storytelling and the new album is a modern fairytale told by piano, strings and voices. After releasing two solo piano albums he now re-ignites the sound from his debut album *The Guest* and invites Swedish violinist and singer annasara and singers Sisi and Noziswa to enrich his piano sounds. You'll hear elements of neo-classical, folk and soul beautifully mixed together.
